

# Introducing the new Bi expert™ GP Bifocal Design with

## of comfort.

**Bi**  
**expert**  
Slab Off Technology

New Bi expert GP Bifocal Design  
made from Boston® materials – surround  
your presbyopic patients in comfort.

- Patented slab off technology – for a 360° uniform thin edge
- Non-truncated – resulting in a comfortable, thinner lens
- Rapid stabilization – delivering excellent visual clarity
- Available in all Boston materials – XO<sub>2</sub>®, XO®, EO®, and ES®

**Bi expert Design:**  
Inverse curve fits the lower  
eyelid for natural translation
